

Welcome to the Lotus Garden, the oldest family-owned and operated Chinese restaurant in Tucson (since 1968). The Wong Family is pleased to serve the finest in Chinese cuisine. Our menu focuses on southern and northern style foods found in China.

Cantonese cuisine, found in the southern region of China, relies on quick stir-frying to sear the flavors of the meats and vegetables, which combine to create a light sauce that is not overpowering to the palate.

Szechuan cooking, a specialty in north-central China, uses hot peppercorn, garlic, and spicy bean sauce to create its unique flavor.

Chef Wong and his staff have been perfecting these dishes for over 30 years and truly take great pride in their art. At the Lotus Garden, the majority of our dishes are made to order, thus enabling us to make dishes to your taste. If you have special dietary needs (such as allergies, diabetic, wheat-free, low-salt), please inquire with your server. We also provide full service catering for special events or parties.

Our family and staff sincerely hope you enjoy your dining experience!
